Mr. Martin--

The Division of Oil, Gas and Mining has received a proposal for a small mine (<5 acres) in the SE¼ SE¼ of Sect. 17, T. 4 S., R. 1 W., SLBM, in Bluffdale in the southern part of Salt Lake county. The attached map shows the approximate location of this operation.

This site has already been disturbed and is the subject of a cessation order we issued.

As per our memorandum of understanding, please provide comments whether this project can proceed with a determination of No Historic Properties Affected, if further information is required, or if known historic properties might be affected.

Thank you for your assistance.

Paul Baker
